Infection Compliance Solutions (ICS) Tool

VMG EDUCATION
CE Solutions

Go paperless with CE Solution's secure, online solution for infection control tracking and reporting.

Benefits:

- Track antibiotic stewardship data, surveillance cases, and precautions online.
- A cost-effective solution for your infection control program
- Easy to learn, intuitive to use.
- Data dashboard helps you monitor current prescribing, trends, and outbreaks in your facility.
- Secure messaging lets staff members communicate instantly.
